

Radiator Kalmar Unica

*Beauty is formed by detail.  
Harmony of shapes and colors.  
Nature is a perfect creator.  
It's worth learning from the master.*

# Kalmar Ordo

## Steel bathroom radiator

A classic creatively refined. Beauty encased in a thick frame. The marriage of simplicity and functionality.

Heating ladder, which combines simple design, elegance, high output and attractive price. With a thick frame, note the contrast between the optically light, horizontal elements with their surprisingly high heat dissipation surfaces. Cost effective solution in a serviceable design.

# Kalmar Amica

## Aluminum bathroom radiator

Soft lines and subtle elegance. Classic design with a large dose of functionality.  
The ideal radiator for your bathroom.

Amica radiator has a smooth, gently curved plate with rounded corners and elegant spaces for towels.  
Neutral design, high functionality and high heating output make Amica the optimal proposition for almost any bathroom. There is also the unique possibility of connecting an electric element and radiator connections internally to make them completely invisible to the observer.

product code	height [mm]	length [mm]	depth [mm]	output [W]	connection	electric element
AMI-120-049	1200	490	88	540	CB 50 mm	✓

Finishes available in the standard price: white matt. Other colors on request.  
Warranty – 3 years. Heat output parameters specified for 75/65/20.

# Kalmar Vipera

## Stainless steel radiator

Subtlety and delicacy for small interiors. Closed form, perfected in every detail. Perfect, to have your towel always smoothly to hand.

Delicacy in the form of a heating tube. Aesthetically consistent: radiator, brackets and valves are fully refined. Unique brackets ensures smooth ease when hanging towels.

Express your emotions and choose one of the suggested kinds of Unica finishes:

- use the artistic photographs from the Leszek Szurkowski or Krystian Bielatowicz collection;
- choose one of the basic Unica images;
- bring us a file with your photo and to remind yourself every day what's important for you.
